The roads to be vacated identified in the aforementioned descriptions are bounded to the north at State Highway 174 (Brush Wellman Road), to the south at approximately 8500 North, to the west at approximately 4000 West, and to the east approximately one mile east of the intersection of Jones Road and State Highway 174 and approximately two miles east of 8500 North Jones Road. Such roads are proposed to be vacated and removed from an official map of Millard County.

The section of road excepted from the proposed road vacations is that southernmost section of road running east and west located in Sections 25 and 26 (Millard County Road No. 642). A portion of the roadway on this southernmost section of road that will remain open commences at a point approximately 1400 feet west of the intersection of Jones Road (8500 North) and continues eastward across Jones Road to a point approximately 2000 feet east of the same intersection. The purpose for retaining this portion of the roadway is to allow access onto private property which is used for grazing and other possible agricultural uses.

A copy of the map designating the specific roads in question is available at the Millard County Offices located at 71 South 200 West, Delta, Utah. For more information contact Sheryl Dekker, Millard County Planner, (435) 864-1405.
